

# Assistive Technology (AT) Internet Resources

Prepared by K. Hoover, SETTS

<http://setts.ctap10.org/>

(N.B. All links below were accurate as of 10/2/2010)

## AT Resources

*Georgia Project for Assistive Technology*

<http://gpat.org>

*WATI - Wisconsin Assistive Technology Initiative*

<http://www.wati.org/>

*Council for Exceptional Children*  
Assistive Technology Quick Wheel

<http://www.cec.sped.org>

<http://tinyurl.com/24hvdjp>

*Center for Applied Special Technology (CAST)*

<http://www.cast.org>

*IDEA 2004*

<http://idea.ed.gov/>

*National Assistive Technology Network (NATE)*

<http://natenetwork.org/>

*TechMatrix*

Assistive Technology Tools and Resources for Learning

<http://www.techmatrix.org/>

## AT iPhone apps

*Blog*

<http://www.spectronicsinoz.com/blog/new-technologies/2010/07/iphoneipad-apps-for-aac/>

*Speech-Language Pathology Sharing*

<http://slpsharing.com/>

## Learning Disabilities and ADHD

*LD Online*

<http://www.ldonline.org/>

## UDL – Universal Design for Learning

*Center for Applied Special Technology*

Universal Design for Learning resource page

<http://www.cast.org/research/udl>

## Collaborative Decision Making

*SETT (Student, Environments, Tasks, and Tools) Framework by Joy Zabala*

[www.joyzabala.com](http://www.joyzabala.com)

click on SETT Documents

*Teaching AT*

Integrating the concept of Assistive Technology for Function into program curricula

<http://www.teachingat.org/writing/process4.html>

## Instructional Resources

*CLRN - California Learning Resource Network*

Searchable database of standards-aligned software, video and internet learning resources

<http://www.clrn.org>

*Graph paper generator / FREE!*

choose lined paper with light verticals>choose size>print

<http://incompetech.com/beta/plainGraphPaper/>

*Writing Posture*

<http://www.pathwaysforlearning.com>

[http://www.pathwaysforlearning.com/Products\\_-\\_Grotto\\_Grip.html](http://www.pathwaysforlearning.com/Products_-_Grotto_Grip.html)

## **Digitized Media**

*California Department of Education Specialized Media Services*

<http://www.cde.ca.gov/re/pn/sm/>

*Tumble Books*

Books read aloud with highlighted text

[http://www.tumblebooks.com/library/asp/home\\_tumblebooks.asp](http://www.tumblebooks.com/library/asp/home_tumblebooks.asp)

*Bookshare*

<http://www.bookshare.org/>

*American Printing House for the Blind*

APH Louis Data Base

<http://louis.aph.org/catalog/CategoryInfo.aspx?cid=152>

*Project Gutenberg*

[http://www.gutenberg.org/wiki/Main\\_Page](http://www.gutenberg.org/wiki/Main_Page)

## **Text-to-Speech**

*Read Please*

<http://www.readplease.com/>

## **Books for purchase**

*Assistive Technology Assessment: Developing a Written Productivity Profile*

by Denise DeCoste, Ed.D., OTR

Published by Don Johnston Incorporated

[http://www.donjohnston.com/products/teacher\\_resources/assistive\\_tech\\_assess/index.html](http://www.donjohnston.com/products/teacher_resources/assistive_tech_assess/index.html)

## **Product Vendors**

*Vendor/Catalog List*

<http://www.matcoop.org/resources/vendorlist.htm>

Pencil grips

*Peterson Handwriting*

<http://www.peterson-handwriting.com/grippencil.gif>

Handwriting slant boards

*The Find*

<http://www.thefind.com/office/info-slant-board-handwriting>

Lined paper

*Therapro*

<http://www.therapro.com/Handwriting-Papers-C307761.aspx>

*Educlime*

[http://www.educlime.com/living\\_letters.htm](http://www.educlime.com/living_letters.htm)

*Handwriting Without Tears*

<http://shopping.hwtears.com/category/paper>

Highlighters

*Office 1000*

<http://office1000.com/>

Keyboards

*Franklin Speller*

<http://www.franklin.com/home.aspx>

Writer Fusion

*Writer Learning*
